Ask doctors to SAY NO to the Coalition's Health and Social Care Bill

TUESDAY
15 MARCH

9.15 am onwards
Grand Connaught Rooms, 61-63 Great Queen St, WC2B 5DA.

Show doctors they are not on their own in opposing the Coalition’s Bill

This is a real chance to make a decisive difference to the continued existence of the NHS

Come to the lobby, bring banners and placards, and everyone you know

THE BILL HAS NOT YET BEEN PASSED THROUGH PARLIAMENT

It is still possible for us to overturn it

Build on our successful lobby of the BMA’s London Regional Meeting, where London doctors voted overwhelmingly to oppose the Bill

The Bill completes the 30-year project, carried forward by all the major parties, of turning the NHS into a market. Doctors’ cooperation is key to the plan to privatise the NHS.

IF DOCTORS OPPOSE THESE PLANS THEY ARE UNWORKABLE
